A. SB-2359 Pacific Club Luau

motion wave reading of bill by NorthEast
2nd by SouthEast

Q/A

- Are you going to have a new timeline presentation or reuse one from past events

A: A Lot of the presentation is reused and recycled but we updated it with new info and designs

- What other kinds of food are you getting with the other funding stated on the bill that is not from RHA?

A: We are getting the other staple foods of a luau and other food dietary options like rice with the other funding.

Motion to end q/a by NorthWest
2nd from NorthEast

Discussion:

- Great event and used to be annual event and their bringing it back and it's a cheap price per person
- Agrees great event, bringing back an annual event and it's open to everyone
- Very cheap for cost per person with all food options
- YTR
- Likes the many different food options available for different needs
- Likes that it is a educational and cultural event

motion to end discussion by NorthWest
2nd from NorthEast

VII. OLD BUSINESS

A. SB-2357 Spring Terrarium Party

Discussion

- Fun bill, year round decoration, and plants boost mental health
- Really well thought out and agrees plants boost mental
- POI, where is this event taking place?
- POC, root and stems
- POI, did the bill authors discuss the cost per person?
- POC, Yes the buffer is intended for customization
- Event seems really fun and creative. We haven't seen this type of event before.
- Cost per person is good because the price to buy it online is almost the same as going in person.
- Very good event, educational event with staff answering questions
- Agrees with everyone, event is very creative and now is a good time to experience the fort collins area while going to this event with it being spring
- YTR
