B. SB-2349 Ramadan Iftar Bill

Discussion

Divisha- explained bill

Amanda- POI, this bill we funded in the past but it is more expensive because it's in LSC

Jack- POC- tomorrow we are voting on funding for 10,000 to RHA

Amanda- We have to be careful because we don't want to set a precedent that if someone gives us money we have to use it for something specific, also we don't know if funding will pass and how that would affect funding for the rest of the year.

Lizzie point of info- is it allowed to get funding from ASCSU?

Amanda: POC, Theoretically yes

Jack: our speaker who is also a RA proposed the bill, we will be lobbying in favor of it and hopefully it will pass, also I will be abstaining from this vote

Bobbi- might be the wisest decision to focus on specific things they wanted from us, just in case if we don't receive funding, the most wanted funding is the LSC catering/buffa

Fayth- I agree with bobbi, with our budget staying on the side where we don't know if we receive extra funding and focus on what we have right now for funding.

Divisha- POI, ASCSU funding just for Allison ski bill or general funding for RHA?

Jack- Reading it, since it's collaborating with RA Belle Allison ski bill only ski bill

Bobbi- POI, if we did past six grand would they be able to come back for more funding?

Amanda -POC, Based off of last semester we stated we cannot accept multiple bills for the same event, but we can collab with them

Fayth- can we discuss the bill for now without funding?

Jack- Reading it, since it's collaborating with RA Belle Allison ski bill only ski bill

Lizzie, POC: know nothing of ACSU funding

Fayth-formal amendment to only fund the cost of buffa \$4625
2nd from Bobbi

Vote6-0-1

Divisha-yield time

Julio- POI, can we fund this event at a later time?

Lizzie/Amanda- POC- double checking constitution, we could possibly fund this again because it's not a weekly recurring meeting event

Fayth- motion to override funding amount
2nd Julio

Vote 7-0-0

Fayth- done this event before and really successful, anything we can give funding wise is good and if we can fund them more later that is also good

A. SB-2351 Allison Hall 1NW Ski Trip

Discussion

Fayth- explained the bill

Jack-POI, are 40 spots currently rsvp?

Lizzie-POC, Yes

Eli- POI, 150 to 200 per person cost

Lizzie-POC, correct

Sophia POI, only 40 students and ras attending?

Lizzie- POC, yes

Fayth; talked about bill and price , feels price is a lot with what we usually do per student. We just thought it was kind of unreasonable. Still it is a great event. I'm glad that Bella is advocating for her students that don't get the chance to do these activities. But it's just a lot of money and if we're holding that standard of other orgs or RAs on campus, I think it's important that we keep that in mind for 40 people.

Hunter- Agreeing with Fayth, a lot of money for 40 people and would be unfair to other student ores if we were at this event with the cost per person.

Divisha- thoughtful and good event, \$200 per person is unreasonable and not refundable,

Eli- : agrees unreasonable and worries about something happening off of campus.

Amanda : very planned out but a lot of funding needed, but there are closer and cheaper options available

Bobbi- like Amada, a lot of time into this bill but it's a lot of money and cost per resident , winter park is expensive, good event but too much money and cheaper options available.

Fayth- about prices- spending money on new skiers, they are going to get tired and not going to get full experience

Amanda - 180 per person is 60 people funding for one person to go

Amanda- could fund portions or pieces of bill

Bobbi-POI, how would we fund a portion of this bill? snice it all specific to the event?

Amanda- POC, only pay for bus or lift

Lizzie-POC, if we only pay for a proportion there is no insurance that the rest of event will be able to happen with the other activities.

Jack- is it a possibility to table the bill, for seeing if ASCSU funding gets approved

Fayth-POI, funding only towards Belle Ski event?

Jack- ASCSU funding would be for RHA, not specific for ski bill

Lizzie-POC, event doesn't happen until 24th

Amanda: invoice has already been sent

Fayth motion to extend discussion adding 10 mins

2nd sophia

Eli -POI, already made reservations and already billed?

Amanda-POC, spots have been reserved, haven't paid yet

Jack- up to you guys, abstaining from voting.

Bobbi-POI, if tabled would we see the bill on the 12th?

Lizzie-POC, yes

Bobbi Motion to table bill to 12th

2nd julio

Vote to table bill until 12th
